ANTI-SLAVERY AND HUMAN TRAFFICKING POLICY

Slavery is a crime and a violation of fundamental human rights. It can take various forms, slavery, servitude, forced and compulsory labour and human trafficking. These all have one thing in common, the deprivation of a person's liberty by another in order to exploit them for personal or commercial gain.

Controlled Repair has a zero tolerance approach to slavery and we are committed to acting ethically and with integrity in all our business dealings and relationships.

Should any member of staff break this policy it would be deemed as gross misconduct and would result in instant dismissal.

This policy does not form part of an employee's contract of employment and we may amend it at any time.
